

Team Feedback: Kellen Dixon

Role: Home Page Lead, Co-Developer (About), Branding

Quick Summary

Kellen was crucial for getting the two main pages—**Home** and **About**—up and running. He helped define what the whole site looked like by working on the **Fonts and Logos**, which is a huge part of the branding. Great work on getting the core of the site established!

Key Wins

- **Page Foundations:** Successfully led the build of the **Home Page** and worked with James to finalize the **About Page** content and structure.
- **Visual Identity:** Made important choices on the site's look by helping select and implement the official **Fonts and Logos**. That consistency really paid off!
- **Team Player:** Solid collaboration with James on the About Page development.

Next Steps (Future Focus)

- Keep focusing on creating engaging, killer content for our visitors.
- Next time, try experimenting with some more complex, interactive elements or special effects—you've got the structure down!
